FOR IMMEDIATE RELEASE

Marcil Honored with Legacy Leader Award

Fargo/Moorhead - As the Chamber of Commerce of Fargo Moorhead celebrates the tenth anniversary of the creation of the Chamber following a merger of the former Fargo and Moorhead Area chambers on January 1, 1998, it has created a new Legacy Leader Award to recognize and emphasize the important role and contributions of long-time local leaders in both shaping and serving the Chamber, our metropolitan community and region. The first ever and first annual recipient of this award is William C. Marcil, Sr., publisher of The Forum of Fargo-Moorhead and chief executive officer of its parent company, Forum Communications Co. A past Chair of the Board of both the Fargo Chamber of Commerce and U.S. Chamber of Commerce, Mr. Marcil was instrumental in helping to achieve the merger that created the Chamber of Commerce of Fargo Moorhead, which has become the region's largest business federation and a nationally-recognized, national-awards-winning organization.

The Chamber of Commerce of Fargo Moorhead both salutes and sincerely thanks Mr. Marcil for his membership, leadership, service and support for our Chamber, community and region. His dedication and efforts have benefited our entire region while enhancing our identity, image and reputation on a national level.
